 15 REAR AIR CONDITIONER 16 CENTER CONSOLE LOWER TRAY WITH 12V POWER OUTLET 17 CENTER CONSOLE BOX WITH 12V POWER OUTLET 18 3RD ROW POWER OUTLET WITH SIDE POCKET

DRIVING PLEASURE

GLX PLUS

From its newly developed power plant which combines powerful performance and low fuel consumption, a suspension designed for maximum stability and comfort, the high ground clearance that lets you traverse rough roads and torrential downpours with confidence, to the height adjustable driver's seat and the tilt and telescopic steering wheel that put you in the best driving position for greater visibility and comfort, the all-new XPANDER was engineered to give you the utmost in driving pleasure.

★ Exclusive To XPANDER!

- 1 NEW 1.5L DOHC ENGINE (4A91) WITH MITSUBISHI INNOVATIVE VALVE-TIMING ELECTRONIC CONTROL (MIVEC) TECHNOLOGY 2 4-SPEED AUTOMATIC TRANSMISSION (GLX PLUS, GLS, AND GLS SPORT)
 3 NEWLY DEVELOPED 5-SPEED MANUAL TRANSMISSION (GLX) 4 SHOCK ABSORBERS THAT FEATURE HIGH-PERFORMANCE VALVES (ADAPTED FROM THE LANCER EVOLUTION X)
 5 CLASS-LEADING HIGH GROUND CLEARANCE (205 MM GLX PLUS, GLS, AND GLS SPORT) 6 CRUISE CONTROL 7 5.2 M TURNING RADIUS 8 TILT AND TELESCOPIC ADJUSTING STEERING WHEEL
 9 HIGH CONTRAST METER CLUSTER WITH COLORED MULTI-INFORMATION DISPLAY (GLS AND GLS SPORT) 10 ECO DRIVING INDICATORS

GLOBAL STANDARD SAFETY

The all-new **XPANDER** is equipped with a host of safety features to keep you and your passengers safe. Drive confidently knowing that features such as Active Stability Control (ASC), Traction Control (TCL), Hill Start Assist (HSA), Emergency Stop Signal (ESS) system, Anti-lock Braking System (ABS), and Mitsubishi's proprietary Reinforced Impact Safety Evolution (RISE) body are there to protect you.

ANTI-LOCK BRAKING SYSTEM (ABS) WITH ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

Hard braking

The ABS helps keep the driver in control of the vehicle when braking on slippery surfaces by preventing the wheels from locking up.

With ABS **Without ABS**

Without ASC (skidding rear wheels)

ACTIVE STABILITY CONTROL (ASC) AND TRACTION CONTROL (GLS SPORT)

With ASC

When the vehicle senses slipping due to slippery roads or sudden manoeuvres, engine output is suppressed and brakes are automatically applied accordingly until vehicle is stabilized.

Without ASC (skidding front wheels)

HILLS START ASSIST (HSA) (GLS SPORT)

Starting on a steep slope is made easier as this feature automatically maintains the brakes as the driver moves his foot to the accelerator to help prevent the vehicle from rolling backwards.

With HSA **Without HSA**

RISE BODY
Mitsubishi Motors' Reinforced Impact Safety Evolution (RISE) body effectively protects occupants with a reinforced center pillar, a cross member made from high tensile strength steel, and side impact door beams to minimize cabin deformation while its energy absorbing structure disperses the force of impact from a collision away from the cabin keeping the passengers safe.

LEGEND

HIGH TENSILE STEEL STRENGTH

- RED- 990 MPA
- BLUE- 590 MPA
- GREEN- 440 MPA

EMERGENCY STOP SIGNAL SYSTEM (ESS)

When the driver brakes hard or activates the ABS, the hazard lamps automatically flash to warn vehicles around and help prevent a rear end collision.

DUAL SRS AIRBAGS

Front SRS airbags for the driver and passenger reduce head and chest injuries in the event of a collision.

3-POINT ELR SEATBELTS

All 7 seats come with 3-point ELR seat belts.

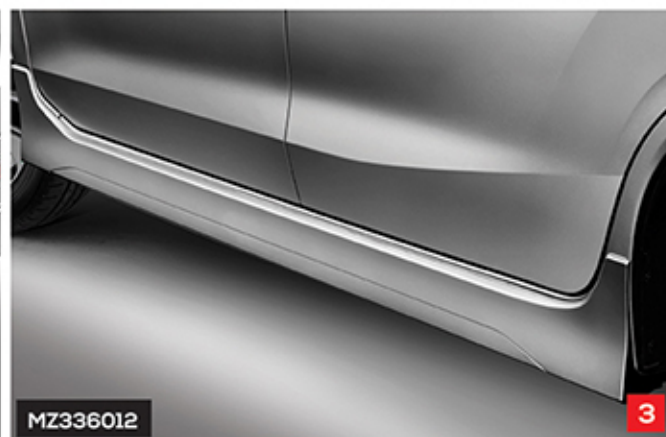

GLS SPORT

GENUINE ACCESSORIES

Mitsubishi Genuine Accessories will give your all-new XPANDER an even bolder and more dynamic look when you're cruising down the road.

MITSUBISHI MOTORS
GENUINE PARTS
